About Us

We are an Indie Production house with a dedicated team of spirited and fun-loving individuals. Corporate films, Product Films, Audio Visuals, Shorts, Animated Films and TVCs, we've done them all. Having a background in Advertising and Radio, with our very own audio and video set up with post-production facilities, we provide end to end solutions for films – from concept to finish.

Our Work

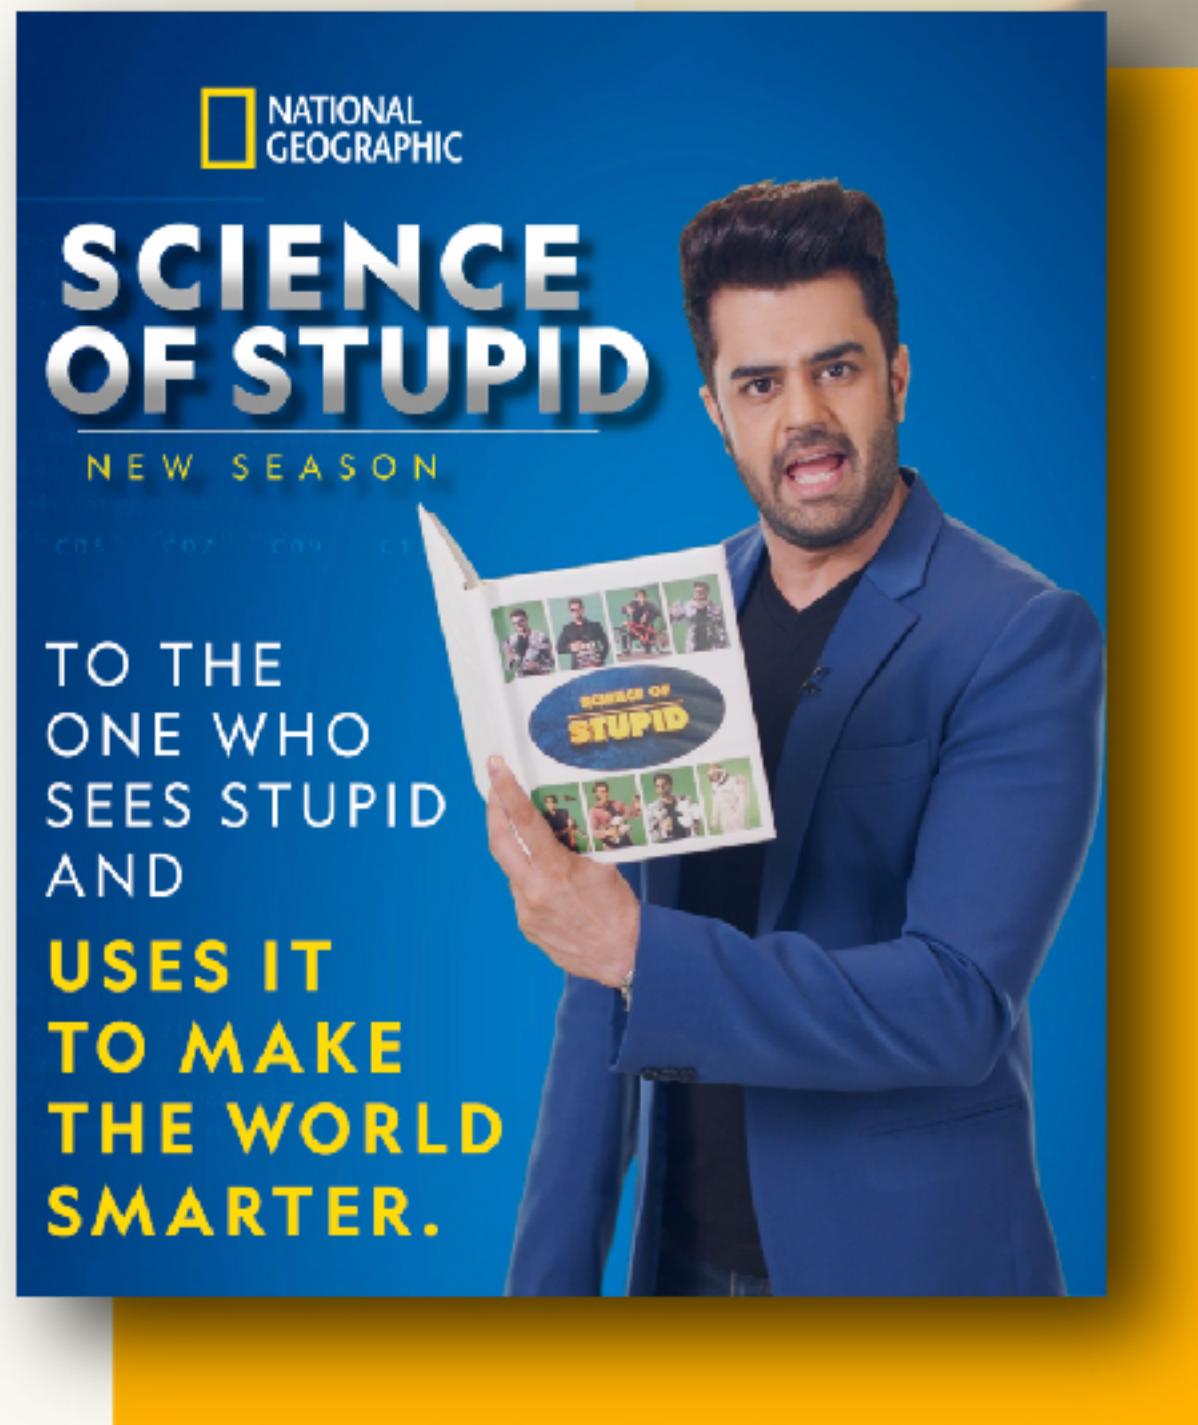

Roche Diagnostics

(Cervical Cancer Awareness Campaign)

With Vidya Balan

Science of Stupid with Maniesh Paul (NAT GEO)

A collaboration with Cinemadicts9 and Maniesh Paul for the National Geographic Channel. Over 80 episodes were produced for the Channel in a period of 3 years. Adhering to strict broadcast quality norms. All episodes were shot on a Chroma Background, with intense post production, vfx and audio segments.

SBI Insurance (Yoga Campaign) with Vidya Malvade

In collaboration with Happydemic a special Insurance campaign for women. SBI General, one of India's leading General Insurance companies launched a distinctive health program, "7 Minutes to Good Health". Through this easy and effective guided program, the Company reiterated its commitment towards health on a larger scale. With a focus on health, with this initiative SBI General encouraged people to practice 7 minutes of right breathing techniques.

Animals Gone Wild with Jaaved Jaaferi (NAT GEO)

From the heart-stopping to the simply outrageous, 15 special episodes - a limited series with the inimitable Jaaved Jaaferi. Right from the show concept to the audio tweeks, the team worked closely with Jaaved and the NatGeo Team to prouduce some exclusive content, in collaboration with Cinemaddicts9.

Hankaar (Web series)

Hankaar a thriller web series that tells the story of 5 people who are based in the city of Mumbai. A crimes story of the dark Mumbai Underbelly. Co-produced and Co-directed by Ravi Iyer. Released on Hungama Play our first foray into the OTT zone.

KOTAK
